

ARCLINEA'S HISTORY AND PHILOSOPHY

Founded in 1925 in Caldogno, Italy

Cuisine and conviviality, high performance materials and cutting edge technologies - all merge into one.

ARCLINEA'S STORY COMES ALIVE ALONG A PATH OF
VALUES THAT HAVE GENERATED, AND STILL GENERATE,
EXCELLENCE. A STORY THAT IS, OF ALL THESE VALUES,
THE CORNERSTONE.

FUNCTIONALITY MEETS DESIGN

ONE DESIGNER,
MANY COLLECTIONS

“FROM THE START I WANTED TO
APPLY DESIGN TO SHAPES AS
WELL AS TO THE CONCEPT OF
SPACE NOT SOLELY DEDICATED
TO THE PREPARATION OF FOOD
AND TO THE DINING TABLE BUT
ALSO TO THE CONDUCTION OF
OTHER LIVING FUNCTIONS”

MENSOLINEA SHELF

Mensolinea Shelf is a multi-purpose bar.

It features built-in 3000K LED lighting and can house on request integrated power sockets.

Its functionality can be enhanced and customized throughout an extensive line of accessories, available in wood veneer or black lacquered wire, hooking on to the built-in accessory rail.
