Driven by design and created for connection, Nexo offers simpler, smarter ways to interact with the world—pioneering a new approach to well-connected, contemporary living.

With an intimate sense of welcome, the fifth-floor, resort-style pool terrace is the perfect open-air oasis for relaxed lounging and entertaining year-round.

**FULLY-FURNISHED INTERIORS:** A NEW DIMENSION IN OPEN-AIR LIVING WHERE INDOORS AND OUTDOORS SEAMLESSLY MERGE, NEXO RESIDENCES ARE IN TUNE WITH MIAMI'S TROPICAL VITALITY AND THE NATURE THAT SURROUNDS IT.

Created for connection, the two-story Tech Center invites residents to an out-of-home office space with distinctively designed business amenities including dedicated co-working spaces and conference areas.

# Appointed Amenities

Anchored by a two-story, state-of-the-art Tech Center featuring dedicated work stations and informally inviting meeting areas, this well-appointed work space is anything but business as usual. Towering palms and winding bougainvillea bear perfect witness to a private pool deck where the open-air Hammock Lounge, alfresco Theatre and Fitness Center become sanctuaries of wellness and well-being. The Rooftop Observatory claims the perfect vantage point for moments of stargazing and soul-searching.

With a masterfully choreographed approach to essential amenities, the result is a curated community as thoughtfully appointed as it is effortlessly relaxed.

**ARRIVAL LOBBY:** THE TWO-STORY ARRIVAL LOBBY TREATS NATURAL TEXTURES AND PATTERNS AS IF THEY WERE BRUSHSTROKES, HIGHLIGHTING THE GRAIN OF UNFINISHED WOOD AND THE VEIN OF NATURAL STONE THROUGHOUT ITS MATERIALS AND FURNISHINGS.

A new dimension in open-air entertainment, the Outdoor Movie Lawn gives way to the realization of living in tune with nature.

THE SIMPLE PLEASURES OF NATURE HAVE THE POWER TO TRANSFORM AND INSPIRE. INDOOR AND OUTDOOR SPACES SEAMLESSLY MERGE BENEATH A CANOPY OF WINDING BOUGAINVILLEA AND TOWERING PALMS— CREATING INTIMATE ENCLAVES OF GREEN SPACE FOR RESIDENTS TO GATHER, RELAX AND ENJOY.

Residents will feel an immediate sense of tranquillity in the Outdoor Bar. Vibrant with seasonal flowers and tropical species native to the area, these grounds are a peaceful refuge from the city's surrounding activity.

Every detail of the pool deck's natural surroundings is there for one reason—to affect residents' well-being in a positive way. Nexo's outdoor environments are as restorative as they are simple and pure.

Residents can perfect their chess game, take in the garden view from the Hammock Lounge or immerse themselves in the verdant, tropical landscaping of the fifth-floor Movie Theatre Lawn.

OFFERING RESIDENTS A NEW KIND OF GATHERING SPACE WHERE COMMUNITY AND CELEBRATION MEET, THE MULTI-PURPOSE CLUBROOM OFFERS THE OPPORTUNITY FOR BOTH EXCEPTIONAL PRIVACY AND ENGAGEMENT WITH THE VIBRANT COMMUNITY.

Natural materials and floor-to-ceiling windows lend an open-air ambience of well-being to the state-of-the-art fitness center—inviting residents to fill their workout hours with more happy, healthy, meaningful routines.

Private studio spaces with athletic appeal lend a new, urban attitude to personalized fitness.

**TWO-STORY TECH CENTER:** WELL BEYOND THE BUSINESS BASICS, THIS CREATIVE WORK SPACE OFFERS SMARTER AND MORE BEAUTIFUL WAYS TO INTERACT WITH THE WORLD.

With more of us living out our lives and working across time zones, the Tech Center's creative co-working spaces and conference areas are anything but business as usual.

A place for outdoor play and picnics, the Playground Plaza invites kids and adults alike to revel in the open air.

ATOP THE PROPERTY, A SUBLIME DESTINATION AWAITS. BEAUTIFULLY APPOINTED WITH SUMMER KITCHEN AND CHEF'S TABLE, THE 17TH-FLOOR OBSERVATORY DECK CASTS AN EXPANSIVE GAZE OVER THE INTRACOASTAL WATERWAY WITH 360-VIEWS OF THE NORTH MIAMI BEACH SKYLINE.

# The rules of residential living have been recast.

Writing a distinctive, new blueprint for North Miami Beach, Nexo is defined by sustainable luxury, simplicity of purpose and an innovative home-sharing platform—pushing the boundaries of what’s possible for residential ownership.

Designed to live, own and host, Nexo is an evolution of the entire community experience to be better connected—to look deeper at the way we arrive, work, gather, relax and interact. This directive informs every development decision, from how public and private spaces are designed to how residents and their guests are welcomed.

The architecture of each residence offers specific zones that make each area feel purposeful and intimate. The end results are generously-proportioned living spaces imbued with elegant, natural details that invite residents and their guests to stay just a little while longer.

ORGANIC, MODERN SPACES FOR GATHERING AND DINING,  
CHEF-WORTHY KITCHENS ARE DESIGNED TO ENTERTAIN.

Drawing inspiration from the natural world, subtle interactions of finish, color and texture define spa-like bathrooms—creating tranquil and soothing places for the daily acts of life.

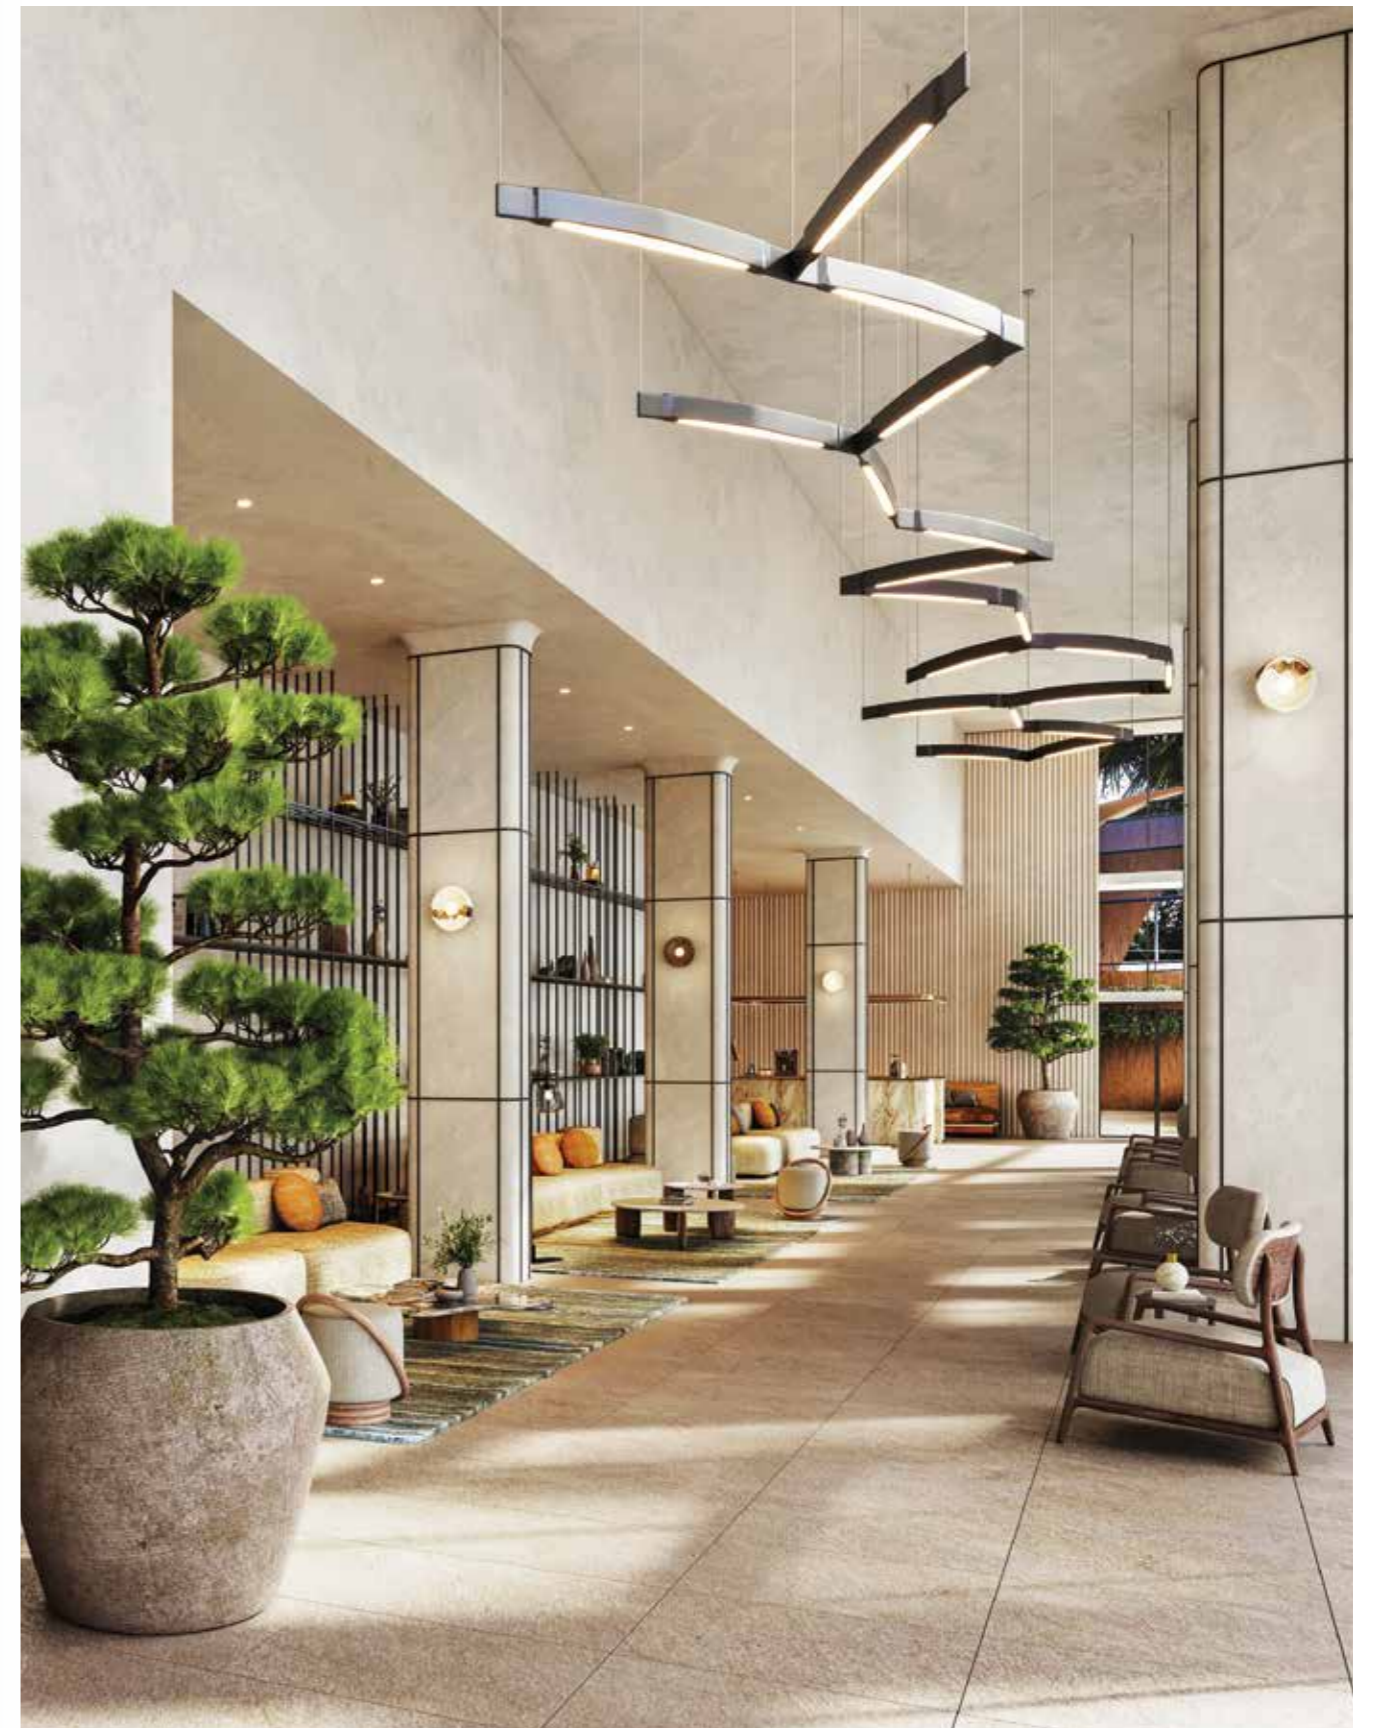

OFFERING SEASONAL AND LONG-TERM RENTAL FLEXIBILITY, TOWNHOME RESIDENCES FEATURE TWO LEVELS OF GENEROUSLY PROPORTIONED LIVING SPACES INCLUDING PRIVATE OUTDOOR TERRACES.
