RE: Prequalification status for your pending application

Dear Applicant:

The Marijuana Regulatory Agency (Agency) considered your partial application for prequalification status and determined that you have prequalification status pursuant to the licensing provisions of the Medical Marijuana Facilities Licensing Act (MMFLA) and associated rules. This letter may be provided to a municipality as documentation of your prequalification status. Please note that this is a pending status until all application requirements of the MMFLA and associated rules are completed. A state operating license for a marijuana facility cannot be issued at this stage of the application process. During complete application review, the Agency will consider all information relevant to eligibility including information that has been newly acquired or information that is newly apparent since determination of prequalification status. This prequalification status will expire two years from the date of prequalification status if the applicant has not received its initial state operating license.

If you have not already done so, please submit a facility license application (Step 2) for each state operating license for which you wish to apply. It is recommended that facility license applications not be submitted more than 60 days prior to the date you anticipate that your proposed facility will be ready for inspection. You may submit an application online through the Accela Citizen Access Portal on the Agency website at www.michigan.gov/mraonline or your application may be submitted by mail or in person as follows:
