PROPERTY OVERVIEW

Grimaldi Commercial Realty is pleased to present a premier owner-user medical and professional office opportunity within the Oldsmar Galleria in downtown Oldsmar. The offering consists of two adjacent second-floor office condominiums totaling approximately 8,181 SF, available individually or combined: a 6,311 SF executive medical/professional headquarters and an adjoining 1,870 SF professional/medical office.

Historically operated as a high-volume medical clinic and physician facility, the property offers approximately 28 private offices combined, including multiple oversized executive offices, spacious reception and patient waiting areas, an executive conference room, existing medical-support infrastructure and an impressive CEO/executive suite with private full bathroom, shower and bar. The larger suite also features four private balconies, providing abundant natural light and outdoor access. Professionally managed, and includes private on-site parking.

Located within the Oldsmar Galleria mixed-use development, the property offers surface and covered parking and a highly flexible layout well suited for physician groups, specialty healthcare providers, corporate headquarters and other high-end professional services. Its strategic downtown Oldsmar location provides immediate access to Tampa Road/SR 580 and convenient connectivity throughout Pinellas and Hillsborough Counties.

PROPERTY DESCRIPTION

PROPERTY DESCRIPTION

Grimaldi Commercial Realty is pleased to present a rare opportunity to acquire an exceptionally spacious, executive-quality medical and professional office condominium within the Oldsmar Galleria at 300 State Street East in downtown Oldsmar, Florida.

The offering consists of two adjacent second-floor office condominiums totaling approximately 8,181 SF, available individually or together: a 6,311 SF executive medical/professional office suite and an adjoining 1,870 SF professional/medical office suite. Combined, the property provides approximately 28 private offices and an expansive, highly flexible configuration ideally suited for an established medical practice, physician group, specialty healthcare provider, corporate headquarters or other high-end professional services firm.

The property has an established history of medical use, having operated for many years as a high-volume medical clinic and physician facility. Its existing configuration, substantial reception and patient waiting areas, numerous private offices, restroom facilities and existing plumbing infrastructure provide an excellent foundation for continued medical use while offering the flexibility to accommodate a wide variety of professional users.

The 6,311 SF executive suite is the centerpiece of the offering and provides a level of space and executive amenities rarely found in the office condominium market. The suite features approximately 20 private offices, including multiple oversized executive offices, an executive conference room, spacious reception and waiting areas, break area, server and copy rooms, storage, multiple restrooms and four private balconies providing outdoor access and excellent natural light.

A substantial CEO/executive suite features its own private full bathroom with shower and private bar, creating an impressive executive environment equally appropriate for a physician practice leader, corporate executive or professional services firm.

The adjacent 1,870 SF suite provides approximately eight additional private offices, reception area, break area and restroom. It may be acquired separately or combined with the larger suite, providing exceptional flexibility for additional practitioners, administrative operations, a separate business division, future expansion or a complete 8,181 SF executive medical/professional headquarters.

Existing restroom and break-room plumbing infrastructure further enhances the property's adaptability for healthcare users and may facilitate future medical-office modifications, subject to buyer verification for its specific intended use.

The property occupies the second floor of the Oldsmar Galleria, an attractive mixed-use condominium development incorporating residential, retail and professional/medical office uses. The building offers elevator access, surface parking providing convenient parking options for physicians, employees, patients, clients and visitors. Complimentary on-site surface parking, under-building parking, and adjacent street parking, with approximately 60 private on-site spaces.

The property is located within Oldsmar's TCCN – Town Center Commercial Neighborhood zoning district, which permits professional services. The property has an established history of medical use, and the City of Oldsmar has recently confirmed clinic use as a permitted professional service within the TCCN district, subject to applicable governmental requirements.

The combination of substantial size, established medical use, executive-level improvements, flexible configuration, multiple balconies, parking options and condominium ownership creates a distinctive opportunity for a medical or professional owner-user seeking a prominent, highly functional headquarters in the Tampa Bay market.
